

Plantacare® - The Original APG® Line

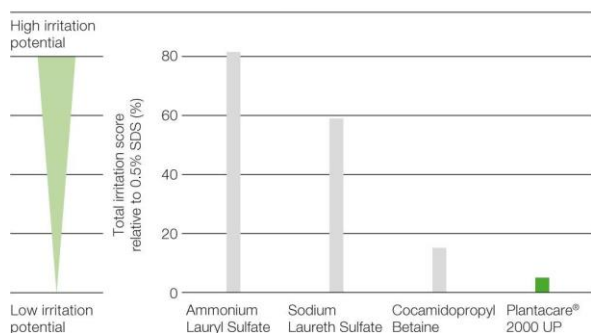

Plantacare® - The benefits of nature for Personal Care

Our alkyl polyglucoside line Plantacare® is a special class of nonionic surfactants obtained from renewable, plant-derived feedstocks. They stand for first-rate environmental and skin compatibility profiles, creating a perfect synergy of mildness, foaming performance and effective cleansing.

Benefits

- Outstanding and proven mildness
- Best choice for baby concepts
- Excellent foaming behavior and cleansing properties
- Preferred for extra-mild and daily cleansing
- Mild and natural hair protecting surfactant
- Compatible with various surfactants
- Excellent eco-toxicological profile, ultimately biodegradable under aerobic and anaerobic conditions

Epicutaneous patch test (2% AS, pH 6.5)

Brief overview Plantacare product line
