Care Creations™

Cetiol® RLF

Mild for sensitive skin and for the environment

Performance profile

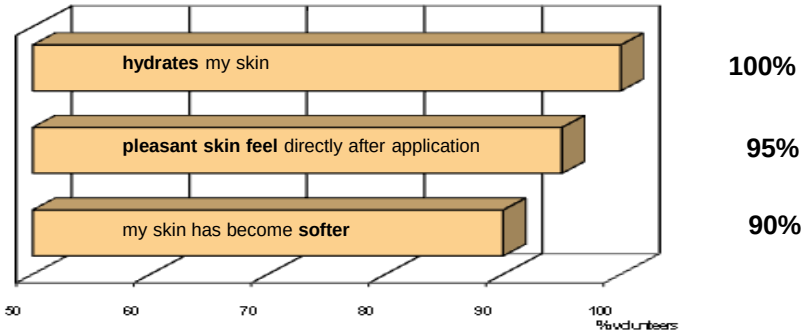

Suitable for sensitive skin
- Dermatologically tested on a panel with sensitive skin
- Fast spreading: 1400 mm^2 / 10 min
- Light skin feel with high sensorial acceptance

Manufactured by an eco-friendly process
- Catalyzed by enzymes
- From 100% natural, renewable feedstocks
- High quality light emollient

Home use test result

Subjective evaluation by sensitive skin panel SC-DE/10/127/16

20 volunteers with disturbed skin barrier function applied 2 times per day on the face for 28 days answered questionnaires

Sustainability benefits Cetiol® RLF

- 100 % derived from renewable feedstocks
- Readily biodegradable
- Environmental friendly process:
  - Less waste and pollutant
  - Enzymatic process
  - High ressource efficiency (efficient process) by using reusable catalyst
  - Safer reaction conditions and a safer production process
- Recommended for natural / organic formulation concepts
- Approved by COSMOS

Brief Overview Cetiol® RLF

INCI Name:
Caprylyl-Caprylate/ Caprate

Appearance:
Crystal clear liquid

Rec. Dosage:
2 – 15 %

Formulations
- Baby care face cream (SC-DE/10/127/18)
- Delicate touch – Body lotion (SC-ES/10/1007/36)
