Care Creations™

Cetiol® Ultimate

Renewable-based, fresh, dry and volatile

Performance profile

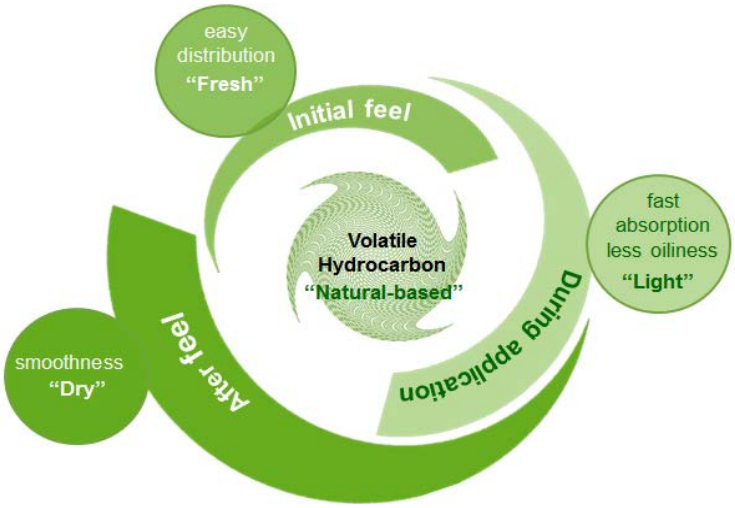

Ultimate formulation benefits:

- Dry smooth textures for face creams / body lotions and oils / sun creams / foundations
- Create ultra-thin W/O emulsions with a very good stability
- Improved skin feel in natural cosmetics
- Easy preparation of color cosmetics

Ultimate performance benefits:

- Similar skin feel to Cyclomethicone, volatile
- Positive effect in clear anhydrous sun care systems vs Cyclomethicone
- Good pigment wetting
- Improved coverage, powdery sensation & color shade consistency in liquid foundation
- Perceivable effects in lipstick

The ultimate evolution of skin feel

Sustainability benefits Cetiol® Ultimate

- 100 % derived from renewable feedstocks
- Silicone alternative
- Approved by COSMOS, recommended for natural / organic formulation concepts
