

Plantapon® Amino SCG-L

Making every moment an experience

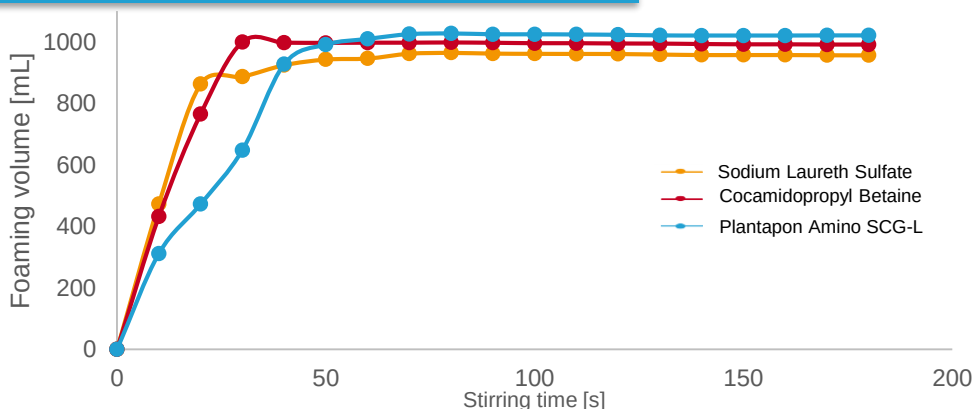

Performance Profile

- Sodium Cocoyl Glutamate in liquid form
- High purity for reliable performances, especially transparency
- No preservative
- 12 month shelf life
- From Renewable sources

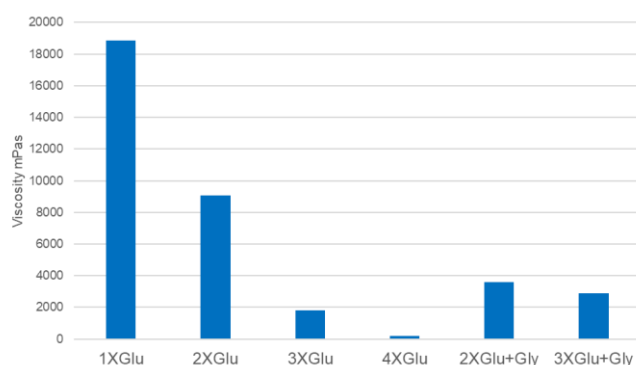

Composition detail

Sodium Chloride	<1%
Free fatty acids	<1%
Active Substance	~28%

Fast flash foam, similar to standard surfactants

Good Synergy with Glycinates – Easier to thicken combination

Ingredient	a.m.
PQ-10	0.3
Dehyton® PK 45	10.8
Plantacare® 818 UP	9.1
Amino surfactant 1	/
Amino surfactant 2	/
Jordapon® CI LA	4
Sodium Benzoate	0.5
Arylpon TT	0.75
H ₂ O	To 100

Brief Overview Plantapon® Amino SCG-L

INCI Name: Sodium Cocoyl Glutamate

Preservative: None

Active matter: ~28%

Appearance: almost-colorless transparent liquid

Fields of Application

- Shampoo & Body Wash
- Facial cleansing
- Baby Care
- Oral Care
